Bolt and Mesh Cutters *for professionals*

RENNSTEIG

The Right Tool.

WWW.RENNSTEIG.US

Bolt and Mesh Cutters

High quality Bolt and Mesh Cutter designed to minimize effort while delivering more force, made of heavy-duty steel

- Cutting capacity up to 40 HRC
- Cutting-edge hardness approx 62 HRC because of hardened alloy steel jaws
- Good accessibility because of the very flat construction of head
- Ergonomic handles and compound cutting action minimize effort and delivers more force
- Non-slip rubber grips
- forged-in stopper with comfortable shock-absorber
- Precise adjustment by eccentric screw and screw-connected cutter head, replaceable
- Blade: chrome vanadium heavy-duty steel, forged, oil-hardened
- Joint: special tool-steel, forged
- Handles: steel tube, powder-coated

Made in Germany.

Bolt Cutter

P/N	Description
712-97146	Bolt Cutter 18" (460mm), chrome vanadium heavy-duty steel, labeled as Hernosit
712-97162	Bolt cutter 24" (620mm), chrome vanadium heavy-duty steel, labeled as Hernosit
712-97190	Bolt Cutter 36" (900mm), chrome vanadium heavy-duty steel, labeled as Hernosit

Mesh Cutter

P/N	Description
712-97290	Concrete mesh cutter 36" (900 mm), labeled as Hernosit
